Date_____

Illustrated Time-Line Worksheet

Instructions: Use the boxes to illustrate a sequence of events that we've just studied. Be creative.

This diagram is a blank timeline template. It features a central horizontal arrow pointing to the right, representing the flow of time. Above the arrow, there are four rectangular boxes, and below the arrow, there are also four rectangular boxes. Each box is divided into two sections: the top section for a 'Date' and the bottom section for an 'Event'. Each section has a horizontal line for text entry. Vertical lines connect each box to the central arrow, indicating specific points in time.
